SA Pork Baynesfield Academy is a registered company with a registration number PBO. 930 037 806, registered under the Non-Profit Organisation Act 71 of 1997.

The academy offers a hands-on practical training in pig production which accommodates developing pig farmers, aspiring developing farmers, extension officials, Animal Health Technicians and any other individual interested in pig farming.

All the unit standards offered by the academy are in line with Agri-seta accreditation, within the National Certificate: Animal Production – NQF level 1.

The unit standards offered form part of the below-mentioned 7 golden rules as part of the skills programme:

MARKETING

Understanding the basic marketing principles and market requirements

BIO-SECURITY

Understanding the importance and basic principles of bio-security rules

BREEDING

Demonstrate the understanding of heat detection, mating and farrowing procedures

HOUSING

Understanding the basic principles of housing requirements

NUTRITION

Demonstrate the understanding of feeding requirements at different production stages

WELFARE

Demonstrate the understanding of animal welfare code

HEALTH

Demonstrate the basic understanding of the basic disease prevention, diagnosis and treatment

After completion of the course, learners will be assessed according to Agri-seta qualifications and standards. Certificates of competency will be issued to learners.
