2. BACKGROUND

The National Red Meat Development Programme (NRMDP) project aims to create feedlot capacity for communal farmers in the rural areas. The project enhances the productivity of livestock in communal areas and farmers' returns. The key driver of the project is an increased income from raising cattle to developing livestock farmers throughout South Africa. The project further aims to use the livestock production and marketing activities of the NRMDP to increase income of these (emerging and communal) farmers and create employment opportunities in local communities, through raising cattle.

The NRMDP focuses primarily on formal markets and systemizing the informal markets. The programme further plays an important role in drought mitigation as a couple of Provinces in South Africa have been declared disaster areas with the recent drought. The project is available across provinces of South Africa and is funded by the Department of Rural Development and Land Reform (DRDLR) and the National Agricultural Marketing Council (NAMC).

The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that NAMC relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by NAMC against the bidder notwithstanding the conclusion of the Service Level Agreement between NAMC and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. NAMC reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

GOVERNING LAW

The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by NAMC remain proprietary to NAMC and must be promptly returned to NAMC upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure NAMC's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (**NRMDP/EC-T01/2020**) the NAMC may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be
