**COVID-19 impact on the South African agricultural sector
and the design of a relief programme**

Friday 9 October 2020 at 10h00 – 11h30

Moderator: Prof Johann Kirsten (BER)

Panellists: Dr Tracy Davids (BFAP), Dr Sifiso Ntombela (NAMC)
and Mr Wandile Sihlobo
(Agbiz)

The panellists will discuss the impact of COVID-19 on the agricultural sector in the context of the fact that most of the agricultural sector was declared an essential service. There were nevertheless certain industries that were impacted harshly as a result of the COVID-19 regulations. The panel will also debate the design of government's relief programme.
