- Monthly Report on incidents (work done).

3.3 Backup services

- Perform Backup of data/information on servers (daily, weekly and monthly).
- Perform Backup of E-mails.
- Perform online backup (according to public sector regulations)
- Perform test restore.

- Availability and restore of data when needed.
- Manage backup schedules and policies.
- Train identified staff in managing back-up services
- Support internal and external backup devices.
- Analyze reported incidents for the purpose of prioritization and trends.
- Attend to reported incident resolution and advise client.
- Update and roll out of security patches.
- Administration tape schedules and offsite storage.
- Preventative maintenance.
- Website back-up services
- Monthly Report on incidents (this includes status of backup performed, restore done).

3.4 Documentation

- Assist in develop and Implement IT Standard Operating Procedure (SOP).
- Assist in the development of ICT policies.
- Monthly Reports (Status of calls).
- Keep a log of everything you have fixed or performed maintenance on.
- Uptime/Downtime reports.
- Audit network for unauthorized changes.
- Quarterly reviewing of SOP and ICT Policies
- Disaster Recovery Plan been reviewed and updated to reflect changes in the environment.

3.5 Consulting and Planning

- Consult with NAMC divisions on ways to use ICT in teaching, research, administration and communications.

- Identify new technologies to allow Staff to be more productive/effective creative and innovative.
- Provide project management in the introduction of new systems and applications – conduct internal workshop. .
- Evaluate hardware and software products and make purchasing recommendations.
- Stay abreast of current and emerging standard products
- Advise on capacity planning and Performance Monitoring

3.6 COORDINATE ICT RESOURCES AND SPECIAL PROJECTS

- Quarterly prepare reports to be reviewed by NAMC
- Quarterly Coordinate and monitor IT security Levels.
- Review and upgrade Information Security on a constant basis.
- Coordinate the implementation of IT strategic plan.
- Coordinate Backup systems and strategy
- Coordinate the installation and maintenance of all ICT related hardware and software.

3.7 KNOWLEDGE MANAGEMENT

- Consult with NAMC staff to determine their needs, through engagements in order to find solutions to problems
- Develop and implement a knowledge management systems strategy to systematically gather, re-package, store and disseminate knowledge in a manner that eliminates duplication of efforts, re-invention of the wheel, and to enhance efficiency and effectiveness within the NAMC.

- Designs filing formats and systems on “H” Drive for all sections in consultation with Senior Managers and Communications Officer, and in conformity with government standards.
- Designs systems, policies and processes for effective implementation of the knowledge management function at the NAMC.
- Promotes the use of collaborative tools: managing and sharing information through the NAMC's operational business processes and systems by, among others, strengthening links between knowledge sharing and the information systems.
- Disseminate information about NAMC's knowledge sharing programs to internal and external audiences, including organizing knowledge sharing events (such as knowledge fairs, site visits, interviews).
- Researches and introduces benchmarking in library activities, intranet and data management.
- Maintains consultative and advisory relations with all divisions on issues related to knowledge management and sharing.

4. EVALUATION PROCESS

The evaluation process will follow the stages detailed below:

- Administrative compliance (Stage 1)
- Functionality (Stage 2)
- Presentation (Stage 3);and
- Pricing and B-BBEE Status (Stage 4).

4.1 Stage 1: Mandatory requirements

Proposals duly lodged will be examined to determine compliance with bidding requirements and conditions (completion and attachment of compulsory documents).

Proposals with deviations from the requirements/conditions will be eliminated before stage 2 (two) of the evaluation process.

The following are compulsory requirement and if not submitted the bidder will not progress to stage 2 (two) of the evaluation process:

Pre-Qualification Requirements		Check list √ Tick each box
SBD 1	Completed, attached and signed	
SBD 3.1:	Completed, attached and signed	
SBD 4:	Completed, attached and signed	
SBD 6.1:	Completed, attached and signed	
Terms of Reference document: Completed, attached and signed		
General Conditions of Contract: Initialled and attached		
Proof of registration on Central Supplier Database (managed by National Treasury) a report not older than a month of the date of submission must be submitted		
Proof of membership with Information Technology Association (ITA) must be attached or any other professional body		

Note: All SBD forms must be submitted (signed) noting where it is not applicable. If any specific SBD form is not submitted, documentary proof clearly stating the reasons must be attached.

Failure to adhere to the above conditions will invalidate the proposal.

Bidders must also supply the following documents (where applicable).

Other Requirements	Check list √ Tick each box

Valid B-BBEE Certificate or attached (certified copy) or Sworn Affidavit	
Company Registration documents	

4.2 Stage 2: Elimination of proposals on grounds of functionality

No	Description	Subdivision of Functional Criteria	Points Weighting	Total Points
1	Company Experience, Skills and Ability of Service Provider	Experience of service provider in the regulatory environment or public sector in IT services 1- 3 years=10 points 4-7 years=15 points Above 8 years=25 points	25	25
2	Technical Approach and Methodology	Proposals must contain the details of the proposed approach to be adopted in order to deliver the service in accordance with the scope of work as detailed under Point 3 above	25	25
4	References (contactable clients that were serviced in the past 36 months)	Reference Letters with positive feedback from public entities 1-2 Reference letters= 5 3- 5 Reference letters=10 More than 5 Reference letters=15	15	15
5	Personnel Experience and qualification • Provide comprehensive CV	The bidder must provide an organogram which details the team that will be allocated to NAMC together with their cv and qualifications: a Detailed CV that shows experience within ICT service (Middle level personnel)	10	

No	Description	Subdivision of Functional Criteria	Points Weighting	Total Points
	Qualifications and certification	1-4 years' experience =3 points 5-7 years' experience= 5 points Above 7 years=10 points		35
		Detailed CV that shows experience within ICT service for senior personnel 1-9 years' experience =3 points 10 -15 years' experience=5 points Above 15 years=10 points	10	
		Qualifications for middle personnel in ICT/IT No tertiary qualification=0 Tertiary qualification only=5 points Tertiary qualification & Certification=10 points	10	
		Qualifications for senior personnel in ICT/IT No tertiary qualification=0 Tertiary qualification and certification =5	5	
	Minimum threshold for technical (functionality)			70
	TOTAL			100

Proposals that score less than 70 points of the scores for functionality will be eliminated from further participation in the Bid Evaluation process (Stage 3).

Proposals will be evaluated for functionality as follows:

Stage 2 Technical (Functionality) proposal

Note: The minimum qualifying score for functionality is 70 points out of 100 points. All bidders that fail to achieve the minimum qualifying score on functionality shall not be considered for further evaluation on presentation.

A point scoring system would be utilized as follows:

Score	Description
1	Does not meet requirements, or no information supplied.
2	Meet some of the requirements
3	Almost meet all requirements
4	Fully meet all requirements
5	Exceeds all requirements

4.3 Stage 3: Presentation

Bidders that have passed stage 2 of evaluation will proceed to stage 3 of evaluation which is Presentation. Prospective bidders who score a minimum of 60 points or more will be considered for the next stage, Stage 4 (Price and B-BBEE Status level of contributor).

	Functionality (Presentation)	Maximum points to be awarded
1	Presentation on the process and methodology to be followed to assist NAMC with their ICT Functions	40
2	Presentation on transfer, hosting, maintenance of NAMC website	30
3	Presentation on the afterhours services to be offered to NAMC	30

	Functionality (Presentation)	Maximum points to be awarded
<i>Total Presentation points</i>		100
<i>Minimum threshold for presentation (functionality)</i>		60

A point scoring system would be utilized as follows:

Score	Description
1	Does not meet requirements, or no information supplied.
2	Meet some of the requirements
3	Almost meet all requirements
4	Fully meet all requirements
5	Exceeds all requirements

4.4 Stage 4: Price and B-BBEE Status level of contributor

Points awarded for price

The 80/20-preference points system for price would be utilized for procurement with a contract of up to R50 000 000.00 (VAT inclusive), as per the Preferential Procurement Policy Framework Act (PPPFA) and its regulations.

The following formula would be applied:

$$P_s = 80[1 - P_t - P_{min} / P_{min}]$$

Where:

P_s = Points scored for price of bid under consideration

P_t = Rand value of bid under consideration

P_{min} = Rand value of lowest acceptable bid

Points awarded for B-BBEE status level of contributor

A maximum of 20 points will be awarded for B-BBEE Status Level of Contributor

CRITERIA	POINTS
Price	80
B-BBEE	20
TOTAL	100

Price and Preference

Bidders will be evaluated in terms of Price and Preference points (B-BBEE status level of contributor). As per the table below, price is evaluated over 80 points and preference points over 20:

B-BBEE Status Level of Contributor	Number of Points
	Bids up to R50 million
1	20

B-BBEE Status Level of Contributor	Number of Points
	Bids up to R50 million
2	18
3	14
4	12
5	8
6	6
7	4
8	2
Non-Compliant contributor	0

5. PRICING SCHEDULE

Proposed Fee Structure (Inclusive of VAT) based on the following:

- a) Total cost per month, per annum and for three (3) years (provide a clear breakdown of the costs)
 - i) Year 1 Total cost R-----
 - ii) Year 2 Total cost R-----
 - iii) Year 3 Total cost R-----

6. VALIDITY OF PROPOSAL

- The Service Provider is required to confirm that it will hold its proposal valid for 90 days from the closing date of the submission of proposals.
- In exceptional circumstances, NAMC may solicit the bidder's consent to an extension of the period of the validity of the bid. The request and responses thereto shall be made in writing.

7. PROPOSAL SUBMISSION REQUIREMENTS

- All compulsory documents as stated under point 4 above
- The bid proposal as per point 3 above
- In case of joint ventures, bidders must provide a clear agreement regarding joint venture/consortia
- A trust, consortium or joint venture must submit a consolidated B-BBEE status level verification certificate.
- Bidders must submit 1 x original Bid document marked “ Technical Proposal” and a copy
- Bidders must submit 1 x original Bid document marked “ Financial Proposal” and a copy
- Bidders must submit
- No late bids will be considered. It is the bidder’s responsibility to ensure that the bid is sent to the correct physical address and that this is received by the NAMC before the closing date and time in NAMC’s dedicated tender box or physical address. The office hours are Monday to Friday expect public holidays from 08h00 to16h00.

Proposals must be submitted or delivered at NAMC at the following address:

National Agricultural Marketing Council
Old Mutual Building, Block A, 4th Floor
536 Francis Baard Street
Meintjiesplein, Arcadia, Pretoria, 0001

Closing date for submission of proposals is 05th December 2022
