Our Partners

Success Stories

Lana Hattingh

Lana studied Animal Production with us and has grown into a successful beef cattle farmer in Botswana. We're proud to see our students applying their skills and making a real impact in the agricultural industry!

Solly Legodi

From student to leader! Solly completed two National Diplomas through Agri Skills Transfer, and is now inspiring the next generation of farmers, while building towards owning his own farm.

Diesel Phalatse

Diesel turned his passion for agriculture into action! After studying with Agri Skills Transfer, he's now passing on his skills and knowledge by teaching our students and shaping the next generation of farmers.

Q&A Session

Ask us anything

**Farming is not just a career —it's a calling.
We look forward to helping you grow.**
